MEMORANDUM FOR: Director, Joint Computer Support

SUBJECT : Assistance [] for RAPID System

Harry:

Many thanks for your 17 July memorandum offering the services of [] to work with us on the RAPID system during the upcoming critical installation and acceptance periods.

I also want to thank you for so expeditiously concurring in principle in our plan to contract for consultant services. As I understand it, [] are now refining the Statement of Work to be used in negotiating a contract through the Office of Logistics. Meanwhile, I am awaiting [] approval to proceed.

As soon as we have concluded arrangements with [] we shall turn to your suggestion for a Technical Review Board.

I was happy to have had the opportunity to describe [] to you and your senior staff officers.
